

# BLOCK OF THE MONTH GUIDELINES

2017-2018

The Block of the Month patterns with pictures and instructions will be available at both the morning and evening for September, October, November, February, March and April. We will try to coordinate the fabric choices for the blocks with the Fat Quarter & Strip Exchanges. So, for instance, in September we will show a block using a football theme and for October it will be harvest. The reason we are one month ahead is so you can purchase/gather the fabric at the same time for the exchanges and the Block of the month.

We will be doing 12" blocks (finished size). Most of the patterns we are using this year have copyright restrictions and therefore we are not able to post the pictures of the block on our website. We can list the pattern names and if you were not able to pick up the directions at one of the meetings, you may go directly to the pattern website for directions which is <http://www.quilterscache.com/QuiltBlocksGalore.html>.

On the website go to the bottom of the page and click on Quilt Blocks Galore - click on "The Alphabetized Lists" - then search for the block name.

This gets you to the Alpha Page on the website site.
